

Request for Restoration of Mcard Digitized Photograph Form

I wish to change my original decision and request that my photograph be stored electronically for the purpose of identification, validation of building access, and re-issuance of a lost Mcard. In addition, my photograph may be used for approved, internal University business purposes (i.e., class rosters, seating charts, and business uses that may be approved in the future).

Upon completion of this form, you must submit it in person to a University of Michigan ID Issuing Station. A current listing of ID Issuing Stations can be found at www.mcard.umich.edu
