Dear U-M Community:

The university has selected Huntington National Bank as its official Consumer Bank. This exclusive, seven-year partnership brings additional program funding and support to our communities and offers you a variety of unique banking opportunities, including:

- A co-branded debit card, which can easily be added to Apple Pay[®] or Google Wallet[™] to make purchases from your phone with a simple tap.
- Benefits such as home lending closing cost discounts, special programs, relocation services, and auto and personal loans to fit the unique needs of the university community.
- Convenient local banking with four full-service branches in Ann Arbor and six Huntington Bank ATMs on the university's campus.
 - Branches located at 616 E Liberty St., 2701 Plymouth Rd., 2950 S. State St., and 1900 Pauline Blvd.
 - On-campus ATMs located at:
